**DECISION ON PETITION  
UNDER 37 C.F.R. § 1.181**

In re Application of: SAKOH, N., et. al.  
Application No. 10/561,414  
Filed: January 12, 2006  
Docket No. 283098USPCT  
Title: CONTENT ACQUISITION METHOD

This is a decision on the petition filed on September 10, 2010 under 37 CFR § 1.181(a)(3) requesting that the Examiner consider all references listed on the PTO-1449 filed with the Information Disclosure Statements (IDS) on January 12, 2006.

The petition is **DISMISSED AS MOOT**.

A review of the file of instant application indicates that on November 24, 2010 and November 16, 2010, the Office considered each of the references listed on the PTO-1449 above mentioned and that applicant was informed of such via a Supplemental Notice of Allowance. Since each of those references listed on the above mentioned IDS has been already considered, this petition is rendered moot. Image file wrapper (IFW) is available from Patent Application Information Retrieval (PAIR) system.

Accordingly, the petition is **DISMISSED AS MOOT**.

Any inquiry regarding this decision should be directed to the undersigned whose telephone number is (571) 272-3902. If attempts to reach the undersigned by telephone are unsuccessful, Kim Huynh, Quality Assurance Specialist, can be reached at (571) 272-4147.
